Hi [REDACTED]

Sorry for the delay in getting back to you. I think you had a chance to chat to Isabel on Saturday about the event on the 14th and I understand from Fiona that Lorraine from Marine Scotland has also sent on some further information about the event – please see that email for the details. The CMPP are waiting for the pre-consultation event before considering the application further.

Thank you for coming along on Saturday. I hope you found the day useful, I certainly found the discussions very constructive. Just need to write up the notes now!

Thanks,
Sinead

Hi Sinead,

No need for a ticket and will swim over from Fairlie!

I wanted to ask you if you know when the next Peelports pre consultation will be held or if CMPP has considered request to examine the Hunterston planning applications?

Thanks

Hi all,

I'm just getting in touch with a few of you, following up with this email below to say we've arranged for a few additional tickets for those who've not had a chance to get back to me yet. They are for the 9:45 crossing tomorrow morning. You can pick them up at desk at the ferry ticket office, just mention that you're coming to the Clyde Marine Planning Partnership meeting and they've been arranged by Klare Chamberlain at CalMac.

Look forward to seeing you tomorrow.

Thanks,
Sinead

Dear all,

CalMac have kindly offered to cover the cost of ferry travel for participants coming over as foot passengers to Cumbrae on Saturday for the Marine Litter workshop. For info, there is a bus from the ferry slip on Cumbrae which stops outside the Field Studies Council – timetable can be found here - <http://www.traveline.info/>.

If you would like to take up this offer, please let me know and also what crossing you are planning to take.

Best wishes,
Sinead
